

Archbishop's 2022
LifeLink Day
for Secondary Schools

Each year, "our" LifeLink agencies continue to help more than **37,000 Western Australian families and individuals in real need.**

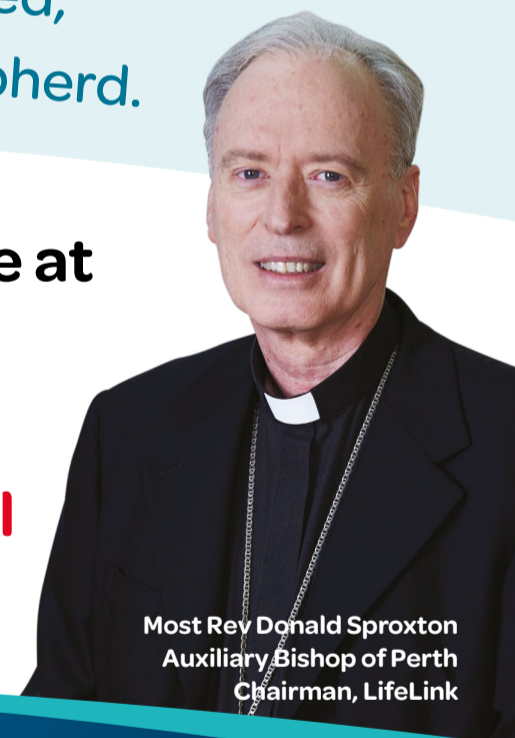

On behalf of us all, the Church's agencies reach out to people who are:
homeless, struggling financially, battling addictions or mental health issues,
unemployed, living with physical or intellectual disability,
or who are completely alone without family or friends to turn to for help.

When we walk with our brothers and sisters in need,
we walk, together, in the footsteps of the Good Shepherd.

Most Rev Timothy Costelloe SDB
Archbishop of Perth

Most Rev Donald Sproxtton
Auxiliary Bishop of Perth
Chairman, LifeLink

**On LifeLink Day, we are counting on everyone at

**Please, give generously when your school
celebrates LifeLink Day 2022.**
